Connect with nurse leaders in Morocco on the ACNL delegation. Led by Kim Tomasi, Chief Executive Officer of ACNL, the program will give you a unique opportunity to learn about the state of healthcare and the advancing leadership roles for nurses in this developing country in North Africa.

The Kingdom of Morocco, led by King Mohammad VI, is committed to building a strong healthcare infrastructure, both public and private. Since 2015, Morocco has been in the process of building over 30 hospitals, including five University hospitals. This delegation will have the opportunity to learn how this advancement will transform the challenges faced today by Morocco's growing healthcare system.
