

ENGLISH LANGUAGE INVESTMENT AND TRAINING FOR ECONOMIC SUCCESS

In response to the U.S. Embassy in Baghdad's commitment to youth economic development in Iraq, World Learning has developed the **English Language Investment and Training for Economic Success (ELITES)** program. World Learning ELITES is a virtual program designed for unemployed Iraqi youth ages 18–25 who are currently enrolled in university or are recent high school or university graduates seeking job opportunities in the private sector. ELITES brings together 100 Iraqi students for an innovative, one-year mentoring program focused on private sector employment training and entrepreneurship. The ELITES program aims to strengthen young Iraqis' key employability and professional networking skills and develop their ability to identify viable career options so they can ultimately, gain meaningful private sector jobs.

What Participants Gain from ELITES

English language Proficiency | Business Communications Competence | Private Sector Work Experience
Leadership Skills | Business Software Proficiency | Management Skills | Networking Opportunities

We encourage you to apply if:

- You are looking for an opportunity to develop marketable business skills for private sector employment opportunities in Iraq;
